

2020 is the 100<sup>th</sup> Anniversary of Women’s Suffrage. We would like to do our small part by recognizing the women that have contributed to the energy and what their contribution was.

1. Please provide us with the name of the woman you are suggesting we include in our recognition video as well as the name and location of the business.
2. In what sector of the energy industry did this woman contribute?
  - Manufacturing
  - Fuel Company
  - Installation/Service Company
3. What position or type of work did she do within the company?
4. How many years did she work for the company?
5. We plan to use bullets and short sentences to introduce to the audience the contributions made by these women. So please provide us with sentences or short paragraphs that best describe how you remember her work ethic, her home life, schooling, her skills, her personality – any fine details that bring her story to our video.

In addition to including this information, please feel free to add anything else that makes this woman into a fond memory for you and us. Feel free to include any news clippings and of course at a minimum one photo.
