

## 2022 Women in Energy Request for Presentation

Our mission is to connect and empower women working in the energy industry. We do this by providing career resources, creating networking and mentoring opportunities, promoting educational courses, and developing strategies to minimize obstacles women may face in the industry.

Have something valuable to share with our group? We invite you to submit a Request for Presentation no later than **January 21, 2022**. Our annual conference will be held **May 22-23, 2022 at Mohegan Sun, Uncasville, CT**. The audience includes a mix of professional women who own companies, manage companies and departments and up and coming management professionals.

- Conference – 1-1/2-2 Hours
- Webinar Wednesday Schedule – 30-45 minutes

Please attach a summary of your proposed presentation including the title, topic, presentation summary and speaker credentials.
