

Tina Bennett, President/CEO, CMC Energy

As president and CEO of CMC Energy Services, **a woman owned company**, Tina leads the execution of the company's growth strategy to transition the company from a regional to national organization while maintaining the company's reputation for operational excellence.

A results-driven, dynamic leader with more than 30 years of experience, Tina previously served as president and COO of Conservation Services Group (CSG), which was acquired by CLEAResult in 2015. She presided over CSG during a time of rapid growth and was responsible for building their team's internal capability to support innovation, growth, and improved service delivery.

In addition to her presidency at CSG, Tina has held senior roles at Daymark Energy Advisors, International Power, PG&E National Energy Group, Energy Vision and New England Electric System (National Grid).

Tina holds an MBA from Northeastern University and a bachelor's degree in economics and finance from Bentley College. She is currently on the Executive Committee of the Northeast Clean Energy Council, and the Boards of Northeast Energy and Commerce Association and PowerOptions. In her free time, she enjoys family outings with her husband and two teen-aged children and playing golf.
